Master of Science in Physician Assistant Degree Program

2019 Program Outcomes Report
South University, Tampa
Goal #1:

The program will recruit and retain a dynamic faculty with the appropriate training and experience to support the program purpose with a persistent focus on teaching excellence.

The South University, Tampa PA faculty (principal, adjunct, and external) includes a diverse array of clinical professionals who comprise a health team. Some faculty members carry multiple credentials and may be counted in more than one category.
