Realignment of Colleges
Revision to the college program information

The College of Nursing is being renamed. It is now the College of Nursing and Public Health. The BS in Health Sciences and the AS in Allied Health Sciences has moved from the College of Health Professions to the College of Nursing and Public Health. The BA in Psychology and the MA in Professional Counseling has moved from the College of Art and Sciences to the College of Health Professions.

Update the following information

College of Nursing and Public Health
Master of Science in Nursing
RN to Master of Science in Nursing
BS Health Sciences
AS Allied Health Sciences
Nursing RN to BSN Degree Completion
Nursing

<i>(must be taken concurrently with PSY2061 Research Methods Lab)</i>	
PSY2061 Research Methods Lab	2

FREE ELECTIVES: *Choose an additional ten (10) elective courses (any level) outside or from the Criminal Justice discipline. (40) Non-transfer students will select courses from the elective pool of program related courses, but with their advisor's consultation and approval may take courses outside this elective pool. The number of courses taken outside the elective pool can be no greater than the number of courses within the elective pool*

Area III Major Requirements 64 Credit Hours

CRJ1101 Introduction to Criminal Justice & Law Enforcement	4
CRJ1102 Introduction to Criminal Courts & Corrections	4
CRJ2002 Criminal Law	4
CRJ2004 Ethics in Criminal Justice	4
CRJ2006 Criminal Procedures	4
CRJ3005 Criminal Justice Management & Administration	4
CRJ3009 Theories of Crime/Justice	4
CRJ3011 Criminology	4
<i>Choose one (1) additional course from the list below:</i>	
CRJ3004 Race, Class & Gender in Criminal Justice	4
CRJ3025 Comparative Criminal Justice Systems	4

Page 41 cont'd
Bachelor of Science in Criminal Justice

Major Concentrations Choose one: 24

With the support of an academic advisor, students will define a specific single area of concentration as a part of the major program. As an alternative, they may simply complete additional courses in Criminal Justice from any of the areas shown below. At least 16 of the 24 hours in Criminal Justice or Related Fields must be taken at the 3000 – 4000 level.

General *Choose six (6) advisor-approved Criminal Justice courses or approved electives as shown below*

Corrections

CRJ3021 Probation and Parole	4
CRJ4002 Restorative Justice	4
CRJ4004 Family Violence	4
CRJ4008 Administration of Correctional Facilities	4

Choose two (2) additional advisor-approved Criminal Justice or Field electives. (8)

Crime Scene Investigation

CRJ3008 Criminalistics I	4
CRJ4012 Criminal Investigation	4
CRJ4013 Criminalistics II	4
CRJ4014 Crime Scene Investigation	4

Choose two (2) additional advisor-approved Criminal Justice or Field electives. (8)

Cyber Crime

CRJ4021 Cyber Crime	4
CRJ4022 Digital Forensics	4
ITS2103 Networking Fundamentals	4
ITS2105 Programming I	4
ITS3104 IT Security: Access & Protection	4
ITS4231 Case Studies in Computer Security	4

Juvenile Justice

CRJ2003 Juvenile Justice System	4
CRJ3022 Juvenile Procedures	4
CRJ4002 Restorative Justice	4
CRJ4004 Family Violence	4

Choose two (2) additional advisor-approved Criminal Justice or Field electives. (8)

Law Enforcement

CRJ2065 Introduction to Police Organizations	4
CRJ3007 Law Enforcement Structure & Process	4
CRJ4006 Community Policing	4
CRJ4010 Law Enforcement Supervision & Management	4

Choose two (2) additional advisor-approved Criminal Justice or Field electives. (8)

- MBA6012 Operations and Supply Chain Management 4

Specializations

Campus students must take the General Specialization. Course available for the Campus General Specialization are dictated by the Campus Administration.

Online Students may choose one specialization or may mix the following courses for a general MBA degree without specialization. In any case a minimum of four courses must be taken from the following.

Four courses in a discipline constitute a specialization. The prerequisites are the core courses.

Accounting Specialization

16 Credit Hours

(available online only)

- MBA6301 External Auditing and Assurance* 4
- MBA6302 Advanced Financial Accounting* 4
- MBA6303 Advanced Financial Reporting* 4
- MBA6304 Advanced Taxation* 4
- MBA6305 Advanced Accounting Information Systems 4
- MBA6306 Forensic and Fraud Auditing 4
- MBA6307 Corporate Controllership 4
- MBA6308 Accounting Services Consulting 4

*Courses within the Accounting Specialization that help prepare students for the content covered by the CPA examination.

Entrepreneurship and Small Business Specialization 16 Credit Hours

(available online only)

MBA6710 Entrepreneurial Organizations and Small Businesses	4
MBA6720 New Venture Creation	4
MBA6102 Entrepreneurial Finance, Venture Capital, and IPOs	4
MBA6730 Legal Environment of Entrepreneurship and Small Business	4
MBA6740 Growing Entrepreneurial Organizations and Small Businesses	4
MBA6210 Marketing in Entrepreneurial Organizations and Small Businesses	4

Finance Specialization 16 Credit Hours

(available online only)

MBA6101 Global Financial Management	4
MBA6102 Entrepreneurial Finance, Venture Capital, and IPOs	4
MBA6103 Financial Instruments and Markets	4
MBA6104 Mergers, Acquisitions, and Corporate Restructuring	4
MBA6105 Investment and Portfolio Management	4

Hospitality Management Specialization 16 Credit Hours

(available online only)

MBA5710 Contemporary Issues in Global Hospitality Management	4
MBA6120 Hospitality Finance and Revenue Management*	4
MBA6220 Franchising and Chain Management within the Hospitality Industry	4
MBA6225 Consumer Behavior and Marketing within the Hospitality Industry	4
MBA6230 Hospitality Systems and Policy Formulation*	4

*(Required course for the specialization)

Human Resources Management 16 Credit Hours

(Students must take MBA6501 and three other Human Resources Management courses in the specialization from the list below)

(available online only)

MBA6501 Strategic Human Resources Management	4
MBA6502 Legal Environment of Employment Relationships	4
MBA6503 Organizational Staffing and Development	4
MBA6504 Organizational Compensation and Benefits	4
MBA6505 Organizational Development and Change Management	4

International Business Specialization 16 Credit Hours

(available online only)

MBA6101 Global Financial Management	4
MBA6204 Global Marketing	4
MBA6401 Global Importing and Exporting	4
MBA6405 Global Human Resources	4
MBA6410 Ports Management and Shipping Administration	4

Marketing Specialization 16 Credit Hours

(available online only)

MBA6201 Consumer Behavior	4
MBA6202 Market Research	4
MBA6203 Advertising and Promotion	4
MBA6204 Global Marketing	4
MBA6205 E-Commerce	4

Management Information Systems Specialization 16 credit hours

IST5010 Information Technology Infrastructure	4
IST5020 Information Systems Fundamentals	4
IST6000 Principles of Systems Development	4
<i>Select one of the following courses:</i>	
IST6010 Project Management	4
IST6101 Web Technologies	4
IST6102 Computer Security and Forensics	4

Sustainability Specialization 16 Credit Hours

(available online only)

MBA6810 Sustainability for Businesses	4
MBA6815 Product Stewardship and Sustainability	4
MBA6820 Climate Change Strategies for Business Sustainability	4
MBA6825 Sustainability Strategies in Developing Economies	4
MBA6830 Innovation and Sustainability	4

Accreditation and Affiliations

Addition of State licensing language.

Insert after the Wisconsin Licensing paragraph.

South University is a registered University with the Iowa Student Aid Commission. Registration in Iowa does not infer that the Commission or the state of Iowa endorses the school or approves the quality of school's educational programs. The Commission's registration authorizes the school to operate within the state of Iowa for the purpose of postsecondary educational programs to Iowa residents.

South University has been granted approval by the Kansas Board of Regents to operate in the state of Kansas.

By virtue of its authority vested in it by the State of Louisiana, the Board of Regents does hereby license South University to operate as a postsecondary academic degree granting institution in Louisiana, and hereby acknowledges that this institution has satisfied the minimal requirements to offer instruction pursuant to the provisions Louisiana R.S. 17.1808 and the Rules and Regulations for the Licensure established and approved by the Board of Regents.

South University meets the minimum standards for registration pursuant to the Private Schools Licensing Act, WYO. STAT. 21-02-401

General Admission Requirements

Changes to policy

Replace current text with new language below. **Changes highlighted.**

General Admission Requirements

To be admitted to any of the programs at South University, including online programs, the prospective student must be a high school graduate **from an acceptable high school** or the equivalent (e.g., GED) and submit a minimum combined SAT I score of 900, a combined ACT score of 19, or a satisfactory score on the University administered admissions examination (see the Admissions Office) or meet the criteria established for acceptance as a transfer student. South University accepts the International Baccalaureate Program diploma as meeting the requirement for high school graduation.

Students who fail to provide proof of high school graduation within 10 weeks of their start date will:

- Be removed from class.
- Have their enrollment cancelled.
- Not receive final course grades.
- Not receive a transcript.
- Not be responsible for any tuition and related fees.

Page 97

Admission of Transfer Students

Changes to policy.

Replace current text with new language below. **Changes highlighted.**

Admission of Transfer Students

To be eligible for admission, transfer students must complete the application procedures and satisfy the following criteria:

1. Submit a completed application for admission.
2. Have earned 24 or more quarter credit hours, or the equivalent (e.g. 16 semester hours), with a cumulative GPA of 2.00 from an acceptable accredited collegiate institution.
3. Submit official transcripts **(including verifiable faxed transcripts)** from all colleges and universities attended.
4. Submit self-certification of **an acceptable** high school graduation or GED completion.

For transfer of credit practices refer to the applicable section under the Academic Information portion of this catalog.

Membership Fees

Correction to Physical Therapist Assisting Fees.

Replace current text with new language below. Changes highlighted.

Membership Fees

Students enrolling in the Physician Assistant Studies program will incur a one-time fee for membership in the American Academy of Physician Assistants (AAPA). The fee of \$75 is subject to change. Students in the physical therapist assistant program may incur an ~~Association of~~ **American** Physical Therapist Assistants (APTA) membership fee of \$60, also subject to change. Students enrolling in the Anesthesiologist Assistant Program are eligible to join the American Society of Anesthesiologists (ASA) as a student member for \$25 per year, which includes the monthly journal Anesthesiology, newsletters, and free admission to the annual meeting. Students are also eligible to join the AA professional organization the American Academy of Anesthesiologist Assistants (AAAA) for a fee of \$60, which is good for the entire time in the program.

Page 113 - 114

Refund of Tuition

Replace current policy with language below.

Removing extra *, moving Online Programs refund policy to correct position, up under item #3, adding Iowa refund policy, and correcting a typo in Columbia language.

Changes highlighted.

Refund of Tuition

Tuition charges are based on the total number of credit hours for which a student is enrolled on the first day of classes (as listed in the University calendar), regardless of program. Refunds or tuition adjustments will be awarded according to the following guidelines:

1. If circumstances prevent matriculation before a student begins attending the University, all tuition charges will be refunded. The application fee will be refunded only if a refund is requested within three days of application.

Page 113 – 114 cont’d
Refund of Tuition

2. A tuition adjustment results when a student officially changes enrollment status (full-time to part-time, part-time to less than part-time or part-time to full time) during the drop/add period. No adjustment will be made for students dropping individual classes after the drop/add period.

3. Savannah campus: Refunds for students withdrawing from all classes will be based on the following guidelines: [a] students completing no more than five (5) percent of instructional time will receive a ninety-five (95) percent of tuition refund; [b] students completing more than five (5) but no more than ten (10) percent of instructional time will receive a ninety (90) percent of tuition refund; [c] students completing more than ten (10) percent but no more than twenty-five (25) percent of instructional time will receive a seventy-five (75) percent of tuition refund; [d] students completing more than twenty-five (25) percent but no more than fifty (50) percent of instructional time will receive a fifty (50) percent of tuition refund; [e] students completing more than fifty (50) percent of instructional time will receive no refund of tuition.

Students in South University’s online programs who drop before the start date of the course will receive a 100% refund of the total cost of tuition for the course. Tuition refunds after the start of a course are based on weekly attendance.

- Students who withdraw from their course after attending week 1 will receive a 75% tuition refund.
- Students who withdraw from their course after attending week 2 will receive a 50% tuition refund.
- Students who withdraw from their course after attending week 3 will receive a 25% tuition refund.
- Students who withdraw from their course during or after the 4th week will receive 0% tuition refund.

Students taking online courses from their home state of Iowa who withdraw from their course(s) will receive a prorated course refund based on their official last date of attendance (LDA). Student’s accounts will be adjusted based on the following chart:

5.5 Week Course	Refund %		11 Week Course	Refund %
Week 1 LDA	75		Week 1 LDA	82
Week 2 LDA	57		Week 2 LDA	73
Week 3 LDA	40		Week 3 LDA	65
Week 4 LDA	24		Week 4 LDA	57
Week 5 LDA	7		Week 5 LDA	49
			Week 6 LDA	40
			Week 7 LDA	32
			Week 8 LDA	24
			Week 9 LDA	15
			Week 10 LDA	7

Notes: 1. A “week” is defined as the six days following the official start date of the course. If a course begins on a Monday, the “week” ends on the following Sunday. If a course begins on a Friday, the “week” ends on the following Thursday. 2. LDA is defined on page 128 of the South University Academic Catalog.

Refund of Tuition

Students taking online courses from their home state of Wisconsin will follow the policy below:

Refund Policy

The student will receive a full refund of all money paid if the student cancels within the three-business-day cancellation period; the student accepted was unqualified and the school did not secure a disclaimer; the school procured the student's enrollment as the result of false representations in the written materials used by the school or in oral representations made by or on behalf of the school. The school will issue refunds within 10 business days of cancellation.

Partial Refund

A student who withdraws or is dismissed after the three-business day cancellation period, but before completing 60% of the potential units of instruction in the current enrollment period, shall be entitled to a pro rata refund, as calculated below, less any amounts owed by the student for the current enrollment period, less a one-time application fee of \$50 and the enrollment fee of \$100.

Pro-rata refund shall be determined as the number of units remaining after the last unit completed divided by the total number of units in the enrollment period, rounded downward to the nearest ten percent. Pro rata refund is the resulting percent applied to the total tuition and other required costs paid by the student for the current enrollment period.

The school will make every effort to refund prepaid amounts for books, supplies and other charges unless the student has consumed or used those items and they can no longer be used or sold to new students, or returned by the school to the supplier.

The school will issue refunds within 40 days of the effective date of termination. A written notice of withdrawal is not required. The student is considered withdrawn from the school if the student fails to attend classes, utilize instructional facilities, or submit lessons, without providing an explanation to the school regarding the inactivity for 15 days.

No refund is required for any student who withdraws or is dismissed after completing 60% of the potential units of instruction in the current enrollment period unless a student withdraws due to mitigating circumstances, which are those that directly prohibit pursuit of a program and which are beyond the student's control.

Adjustments of the Tuition and Fee Charges Before Attending Any Units of Instruction

100% refund less a one-time application fee of \$50 and the enrollment fee of \$100.

Adjustment of Charges After Completing:

At Least	But Less Than Refund of Tuition	
1 unit/calendar day	10%	90%
10%	20%	80%
20%	30%	70%
30%	40%	60%
40%	50%	50%
50%	60%	40%
60%	no refund	no refund

As part of this policy, the school may retain a one-time application fee of no more than \$50.

Page 113 – 114 cont'd
Refund of Tuition

4. Richmond and Virginia Beach Virginia campuses only: Rejection: An applicant rejected by South University is entitled to a refund of all monies paid. Three-Day Cancellation: An applicant who provides written notice of cancellation within three (3) business day, excluding weekends and holidays, of executing the enrollment agreement is entitled to a refund of all monies paid, excluding the \$50 non-refundable application fee. Other Cancellations: An application requesting cancellation more than three (3) days after executing the enrollment agreement and making an initial payment, but prior to the first day of class is entitled to a refund of all monies paid, less a maximum tuition fee of 15% of the stated cost of the course or \$100, whichever is less. Withdrawal Procedure: A student choosing to withdraw from the school after the commencement of classes is to provide a written notice to the Director of the school. The notice must include the expected last date of attendance and be signed and dated by the student. A student will be determined to be withdrawn from the institution if the student violates the schools published attendance policy. All refunds must be submitted within 45 days of the determination of the withdrawal date.

Tuition Refunds will be determined as Follows:

Proportion of Total Course Taught by Withdrawal Date	Tuition Refund
Less than 25%	75% of course cost
25% up to but less than 50%	50% of course cost
50% up to but less than 75%	25% of course cost
75% or more	No Refund

5. Austin, West Palm Beach, Tampa, Montgomery, and Columbia** campuses: Students who withdraw from all attended classes during the first week of the quarter are entitled to a refund of 75 percent of the tuition paid for the quarter. A refund of 50 percent will be made if withdrawal occurs during the second week after the scheduled date classes are to begin. Students who withdraw during the third week will be refunded 25 percent. Students who withdraw after three weeks have elapsed from the scheduled beginning of classes will be entitled to no refund of any part of the tuition paid that quarter.

** Columbia campus only: For students attending the University for the first time and who withdraw from the institution, a prorate refund calculation shall be applied up to 60 percent point in time of that initial term. **Prorated** refund is a refund for a student of not less than that portion of tuition, fees and other charges assessed the student equal to the portion of the period of enrollment for which the student has been charged that remains on the last day of attendance by the student, rounded downward to the nearest ten percent of that period, less any unpaid charges owed for the period of enrollment for which the student has been charged, and less an administrative fee not to exceed the lesser of five percent or one hundred dollars.

Page 127

**Timing of Transcribed and Non-transcribed Credit Consideration and Acceptance
Changes to policy.**

Replace current text with new language below. **Changes highlighted.**

Timing of Transcribed and Non-transcribed Credit Consideration and Acceptance

South University will accept transcripts for transcribed (transfer) and documentation of non-transcribed credit evaluation at most points during a student's program of study, provided that limits placed on the total number of credits for the program and components of the program will not be exceeded. During a student's first quarter enrolled at South University, all official transcripts must be received and evaluated for those courses related to establishing basis of admission.

No courses will be evaluated for transfer of credit during a student's final quarter prior to graduation. Active/Guard/Drilling Reserve military students may have a waiver from this policy concerning their final quarter (for students in on-campus programs) or final two course sessions (for students in online

Page 127 cont'd

**Timing of Transcribed and Non-transcribed Credit Consideration and Acceptance
Changes to policy.**

Replace current text with new language below. **Changes highlighted.**

programs) and should work closely with their academic advisors or academic counselors as to their eligibility to have courses evaluated for transfer of credit at any time during their program.

Students are encouraged to submit all transcripts for transfer of credit evaluation or documentation for non-transcribed credit as soon as possible upon admission to their program of study to enable accurate scheduling of coursework. Students are also strongly encouraged to discuss with their advisors or registrars the potential transferability of outside coursework being considered.

Page 135

Update to section b) and i). in the SAP policy. Changes highlighted.

b). Calculation of Incremental Completion Rate (ICR)

A student's incremental completion rate (ICR) is calculated by:

- Totaling the number of credit hours attempted;
- Totaling the number of credit hours successfully completed; and
- Dividing the total number of credit hours successfully completed by the total number of credit hours attempted.
- Grades and symbols of "A", "B", "C", "D", "F", "TR", "W", "WP", "WF", "P", "I" and "^" in c) below are included in a student's ICR.
- Grades and symbols of "EX", "PR", "AU", and "WX", in c) below are not included in a student's ICR.

i). Transfer Credits

Credits from transfer courses are calculated in the maximum allowable credits or ICR requirements.

Grades for credits transferred from any postsecondary institution will be recorded as "TR" and will not

affect the student's CGPA. Grades from courses taken in a program within the same school group, if

applicable to a transfer program, will be recorded as earned credit and will affect the student's CGPA. In

cases in which a student has graduated from one program then subsequently begins work in a different

Page 135

Replace current course description for MAT1001 with text below.

MAT1001 Intermediate Algebra

Prerequisite: MAT0099 or exemption thereof.

The course is designed to develop the basic concepts in algebra that are needed as background for College Math, College Algebra, and Calculus, using graphs and applications to motivate students and provide real-world examples. The course begins with solving systems of linear equations, proceeds to exponents and polynomials, factoring, rational expressions, and concludes with quadratic equations. 4 quarter hours

Page 188

Add Course Description

MAT3058 Statistics II

Prerequisites: MAT2058

This course builds upon the concepts of descriptive and inferential statistics covered in the introductory course and provides students with lecture and extensive practice in advanced methods of inferential statistics. The course emphasizes calculation using technology and application. The course begins with inferences about one and two populations using the t-distributions, proceeds to the chi-square test for contingency tables and analysis of variance, and concludes with inferences about the linear correlation coefficient and some nonparametric statistical methods. 4 quarter hours

Page 214**Add Course Description after MPA6996****PUB2001 Introduction to Public Administration**

Prerequisites: None

The course provides students with an overview of the core theoretical principles of public administration and their practical application to the day-to-day implementation of public policies. Students explore the main functional areas within public administration at the federal, state, and local levels of government. The course places public administration practice in context with the broader political system and its importance in solving public problems. 4 quarter hours

Page 214**Add Course Description****Add Public Relations Header****PRL2100 Introduction to Public Relations**

Prerequisites: None

This course is a study of the historical development and contemporary status of public relations in business, government, associations, and other organizations. Using a value-driven approach communication theory and social science methodology are explored as they apply to the research, planning, communication, and evaluation aspects of the public relations process. 4 quarter hours
