Introduction

About the Student Handbook

South University reserves the right to change the policies contained within this student handbook from time to time. Notice is not required for a new policy to take effect; however, South University will make reasonable attempts to notify students promptly of any policy changes through the student portal, website or email postings, mail distributions or other methods deemed appropriate by the college administration.

Alternative formats of this publication are available upon request. For more information on alternative formats, contact the Dean of Student Affairs.

Institutional Mission

South University (the “University”) is a private academic institution dedicated to providing educational opportunities for the intellectual, social, and professional development of a diverse student population.

To achieve this purpose, the institution offers focused and balanced curricula at the associate’s, baccalaureate, master’s and doctoral levels. A broad-based core curriculum is offered promoting critical thinking, effective verbal and written communication, and skills for life-long learning. Additionally, the University focuses on developing the requisites to pursue and appreciate knowledge. South University’s approach to higher education and the resulting varied academic experiences provide students with the intellectual acumen and pragmatic approach necessary to create the foundation for personal and professional fulfillment. South University attempts to provide a comprehensive education that instills within its students a philosophy that values not only learning and professionalism but also contribution and commitment to the advancement of community.

Believing that qualified individuals should have the privilege of formal academic training, South University welcomes those who seek educational challenges. To this end, the University provides a learning environment, both on-campus and online, that helps students identify goals and the means to achieve them. With this philosophy in mind, students learn by interacting with a community of faculty, staff and administration dedicated to South University’s academic purpose.

Student Rights and Responsibilities

South University is committed to the development of knowledge and ethics that are consistent with responsible professional and social behavior. Students are expected to meet academic requirements as well as to develop a sense of responsibility and an understanding of and respect for the rights of others. The atmosphere of the University reflects these goals; and, in turn, each student must be aware of his/her individual responsibility to behave accordingly.

By enrolling as a student at South University, you have agreed to abide by the rules and regulations of the University. The rules concerning student behavior are outlined in the Code of Conduct section of this handbook. Alleged violations of the Code of Conduct may be referred to the Dean of Student Affairs.

Orientation

University-wide Orientation

All students are encouraged to attend a University-wide orientation program prior to the start of classes at South University. Enrolled students who have earned less than 24 hours of college level credits are required to complete a web-based orientation session, South University College Success Course, prior to the start of classes.

For all students, the University's orientation program provides an overview of South University and acquaints students with academic policies, resources, success skills and registration procedures. At the conclusion of the ground location's orientation program, students are able to finalize their schedules, obtain their parking permits, and have their photo taken for their student IDs.

International Student Orientation

In addition to the University-wide orientation, International students attending South University on an F-1 (student) visa are required to meet with the school's Designated School Official (DSO) prior to the start of classes. The DSO will serve as the student's International Student Advisor and help the student to adjust to the many cultural differences, answer any questions about transitioning to living in the United States, and provide important information for maintaining F-1 (student) visa status. Initial attendance International Students will be SEVIS registered only after completing the International Student Orientation.

Online Orientation

All students taking online courses for the first time through South University are encouraged to take an orientation to online learning prior to the beginning of their course(s). The orientation reviews the expectations, policies and associated procedures with taking online courses. All students taking graduate online course(s) will be encouraged to complete the graduate online orientation. If you are a graduate student that will need to take prerequisites to enter the graduate program you will be encouraged to take the South University undergraduate orientation. When you officially meet the requirements and enter a South University graduate program, you will be encouraged to take the graduate orientation.

You will be given a user name and password prior to starting your orientation. When you are ready to begin your orientation, you will login into the orientation course through your computer and internet connection. The orientation contains several exercises that you will go through to make sure that you are knowledgeable and comfortable working before the class begins. It is absolutely necessary to make sure you are ready to begin working in class when your first session begins. You will not have the time to orient yourself once classes are underway. Should you have any problems getting to class or operating within your online classroom, a toll-free number for 24-hour online classroom support is available for your use, 1-888-444-3404. This number is posted on the course home page within your course under the heading "Tech Support" located on the top navigation bar.

Student IDs

Student ID photos are taken during Orientation and student IDs are issued to new students during their first week of classes. Student ID cards include student identification numbers (that are different from social security numbers). ID cards also function as library cards for utilizing the University library. Student ID cards are issued in the Bookstore. Online students may order Student ID cards through the Campus Common, Student Services Tab, Form Center.

There is no charge for the initial student ID. Students who lose their IDs may obtain a replacement from the bookstore for a charge of \$10.00 per occurrence. The use of a student identification card by anyone other than its original holder is prohibited.

Academic Policies and Procedures

Class Attendance

Behavior patterns are often hard to change once established. Therefore, students are expected to attend each class session as absences result in lower achievement. Students are responsible for knowing and adhering to the attendance policy as outlined in the South University Academic Catalog, [Attendance Policy](#).

Each student should familiarize themselves with the classroom guidelines paying particular attention to the consequences for missing exams, turning in assignments after the deadline, and receiving points for participation in class. Clarify any questions regarding the course syllabus at the beginning of the term to avoid any unnecessary confusion. Students are responsible for material missed while absent, and should check with their instructors as soon as possible.

Disability Services

South University provides accommodations to qualified students with disabilities. Disability Services assists qualified students with disabilities in acquiring reasonable and appropriate accommodations and in supporting equal access to services, programs and activities at South University.

Students who seek reasonable accommodations should notify the designated representative at their location of their specific limitations and, if known, their specific requested accommodations. Students will be asked to supply medical documentation of the need for accommodation. Classroom accommodations are not retroactive, but are effective only upon the student sharing approved accommodations with the instructor. Therefore, students are encouraged to request accommodations as early as feasible with The Office of Disability Support Services to allow for time to gather necessary documentation. If you have a concern or complaint in this regard, please contact the Campus Director or President. Complaints will be handled in accordance with the school's Internal Grievance Procedure for Complaints of Discrimination and Harassment.

Please see the Appendix at the end of the catalog for contact information for each South University location. <http://catalog.southuniversity.edu/content.php?catoid=17&navoid=936>

Online Participation Policy

Successful online learning requires active participation in the discussion area of the online classroom. Students must contribute to the class discussion in a substantive way. The quality of the postings is the most important aspect of discussion, and only substantive participation will be counted as active participation. This is measured by recording the posting date on which a student makes a substantive classroom posting. Substantive participation includes responses to discussion questions as well as discourse with other students related to the subject matter. Substantive responses must be based upon the course content, theory, and/or or personal experience, not mere opinion. Substantive responses should also include appropriate documentation/citation. For example, a simple "I agree" will not qualify as a substantive posting. The participation point value in the learning experience is defined within the grading criteria for each assignment (which is located on assignment pages in each course), and/or as directed by the instructor.

Submission of assignments, posting questions to the professor or classmates and/or sending emails to students and/or faculty outside of classroom threads does not count as participation.

Students are expected to read all discussion area postings. The quality of the student responses will be graded. Students will earn weekly participation grades based on the quality and frequency of their comments to others in the discussion assignment(s) based on the established grading rubric in the course.

Everyone's comments are important. The diversity of experience among members of the class will enhance learning. All students will be treated equitably within the classroom. The classroom is a place of expression and discussion.

1. Communications must be respectful. Inappropriate language will not be tolerated, and the instructor has the right to determine what is inappropriate. Disrespectful students are subject to discipline or dismissal from the online learning platform for this course. All activities in the classroom will follow standards set in this Student Handbook.
2. For absence due to prolonged serious illness or personal emergency, the student is expected to contact the instructor as soon as possible. For absence due to technical problems, the student is expected to follow the steps outlined below:
 - Contact your instructor and technical support the same day you are experiencing technical difficulties and work out a plan with your instructor to make up missed assignments.
 - Contact your Academic Counselor and advise them of your technical difficulties within 48 hours.
 - If your technical difficulties will not be fixed for a prolonged period, it is the student's responsibility to find another source for internet service such as a public library or a friend's computer.
 - Failure to notify the instructor will be considered a missed deadline. All assigned work must be completed regardless of the reason for absence. Please be advised in the unforeseen event that you would need to formally withdraw from the course this must be done by contacting your Academic Counselor

Changing Programs

At the time of their entrance to South University, students are required to declare a major. If a student wishes to change programs, he/she should follow the procedures outlined in the South University Catalog, [Change of Program](#).

International students must consult with the school's Designated School Official prior to changing majors as doing so may impact F-1 (student) visa status eligibility.

Consult the South University Catalog for information regarding specific campus offerings and academic program curricula.

Adding and Dropping Courses

Students may adjust their schedules without penalty by dropping and/or adding courses during the Drop/Add period. Specific dates are reflected on the [academic calendar](#) or can be obtained from an Academic Counselor. Students officially withdrawing or administratively withdrawn from a course by the end of the Drop/Add period shall receive a 100% refund of all monies paid for the course and will have that course removed from their academic transcripts. Students are encouraged to consult the professor and/or department chair before dropping any course.

All schedule revisions must be made by the Academic Counselor, where an official Drop/Add Form must be completed. Students should consult with financial aid to ascertain implications of schedule changes. Courses cannot be added after the late registration period indicated on the University calendar.

Students considering adding or dropping a course should consult their academic counselor, program director, financial aid officer and the South University Catalog, [Institutional Refund Policy](#).

Grades and Educational Records

Grading System

The following grade scale is used:

<u>Grade</u>	<u>Quality Points</u>	<u>Range</u>	<u>Interpretation</u>
A	4.0	90-100	Excellent
B	3.0	80-89	Above Average
C	2.0	70-79	Average
D	1.0	60-69	Minimum Passing
F	0.0	0-59	Failure
WF	0.0	0	Withdraw/Failure
NCF	0.0	0	Non-Completion Failure
LP*	0.0	33-79	Limited Progress

Grades or symbols of "D," "F," "W," "WP," "WF," "NCF" and "LP" can negatively affect one or more of the following and should be considered punitive in terms of a student's Satisfactory Academic Progress (SAP): Cumulative Grade Point Average (CGPA), Incremental Completion Rate (ICR) or Maximum Allowable

Timeframe (MTF). A grade of "C" may also be punitive in certain graduate and professional program courses requiring a grade of "B" or higher. Refer to the catalog section on "Explanations of Related Issues" for additional information on calculation of CGPA, ICR, and MTF.

*Note: The grade of LP may be awarded in Pass/Fail courses. Students who complete the remaining assignments in the extension course receive a letter grade or grade of P and the grade for the original dissertation course is changed to a letter grade or to P. Students who complete at least half of the remaining assignments may be awarded the grade of LP and then register for a subsequent extension course. Students who do not make adequate progress receive a grade of F and the grade for the original dissertation course is changed to a grade of F.

Grade Reports

Grade reports are available on-line through <https://portal.southuniversity.edu> Grades cannot be released by telephone. Grade reports will be mailed to the address on file if a written, signed request is made to the Academic Counselor.

Students who need to notify the University of a Change of Address can obtain the appropriate form from the Academic Counselor or submit the change through the student portal.

Repeated Courses

Grades achieved in repeated classes will replace withdrawn or failing grades. Withdrawn and failing grades are included in the maximum allowable time frame and ICR. Students should consult the South University Catalog, [Repeating Courses Policy](#).

The Family Educational Rights and Privacy Act of 1974, as amended

The Family Educational Rights and Privacy Act of 1974, as amended ("FERPA"), sets out requirements designed to afford students certain rights with respect to their education records. In addition, it puts limits on what information South University may disclose to third parties without receiving prior written consent from the student.

I. Procedure to Inspect Education Records

Students have the right under FERPA to inspect and review their education records. A student who wishes to inspect and review his/her records should submit a written request to the Academic Counselor. The request should identify as precisely as possible the records the student wishes to inspect. If the requested records are subject to inspection and review by the student, arrangements for access will be made within a reasonable period of time but in no case more than 45 days after the request was made, and the student will be notified of the time and place where the records may be inspected. The school may require the presence of a school official during the inspection and review of a student's records.

Certain limitations exist on a student's right to inspect and review their own education records. Those limitations include, for example, the following: (i) financial information submitted by parents; (ii) confidential letters and recommendations placed in their files prior to January 1, 1975; (iii) confidential letters and recommendations placed in their files after January 1, 1975 to which the student has waived his or her right to inspect and review and that are related to the student's admission, application for employment or job

placement, or receipt of honors. In addition, the term "education record" does not include certain types of records such as, by way of example, records of instructional, supervisory, administrative, and certain educational personnel that are in the sole possession of the maker thereof, and are not accessible or revealed to any other individual except a substitute.

When a record contains personally identifiable information about more than one student, the student may inspect and review only the information that relates to him/her personally.

II. Disclosure of Educational Records

South University generally will not permit disclosure of personally identifiable information from the records of a student without prior written consent of the student. Personally identifiable information is disclosed (some items are mandatory, some discretionary) from the records of a student without that student's prior written consent to the following individuals or institutions or in the following circumstances:

1. To South University officials who have been determined by the school to have legitimate educational interests in the records. A school official is
 - a. a person employed by the school or its corporate parent in an administrative, supervisory, academic or research, or support staff position. This includes, but is not limited to human resources and accounting staff for purposes of the tuition reimbursement plan; or
 - b. a person employed by or under contract to the school to perform specific tasks, such as an auditor, consultant, or attorney, a person on the Board of Trustees, or a student serving on an official committee or assisting another school official.

Any school official who needs information about a student in the course of performing instructional, supervisory, advisory, or administrative duties for South University has a legitimate educational interest.

2. To certain officials of the United States Department of Education, the Comptroller General of the United States, the Attorney General of the United States, and state and local educational authorities in connection with state or federally supported educational programs.
3. In connection with the student's request for, or receipt of, financial aid necessary to determine the eligibility, amounts or conditions of financial aid, or to enforce the terms and conditions of the aid.
4. To organizations conducting certain studies for or on behalf of the school.
5. To accrediting commissions or state licensing or regulatory bodies to carry out their functions.
6. To parents of a dependent student, as defined in Section 152 of the Internal Revenue Code.
7. To comply with a judicial order or lawfully issued subpoena.
8. To appropriate parties in health or safety emergencies.
9. To officials of another school in which a student seeks or intends to enroll.
10. To an alleged victim of a crime of violence or a non-forcible sexual offense, the final results of the disciplinary proceedings conducted by the school against the alleged perpetrator of that crime or offense with respect to that crime or offense.
11. To persons in addition to the victim of a crime of violence or non-forcible sexual offense, the final results of the disciplinary proceedings described in paragraph 10 above but only if the school has determined that a student is the perpetrator of a crime of violence or non-forcible sexual offense, and with respect to the allegation made against him or her, the student has committed a violation of the institution's rules or policies. (The school, in such instances, may only disclose the name of the perpetrator -- not the name of any other student, including a victim or witness -- without the prior written consent of the other student(s)).

- a. Both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceeding brought alleging a sex offense. Compliance with this paragraph does not constitute a violation of the Family Educational Rights and Privacy Act (20 U.S.C. 1232g). For the purpose of this paragraph, the outcome of a disciplinary proceeding means only the institution's final determination with respect to the alleged sex offense and any sanction that is imposed against the accused.
12. To a parent regarding the student's violation of any federal, state, or local law or of any rules or policy of the school governing the use or possession of alcohol or a controlled substance if the school determines that the student has committed a disciplinary violation with respect to that use or possession, and the student is under 21 at the time of the disclosure to the parent.
13. Directory information (see Section IV below).
14. Student Recruiting Information as requested by the U.S. Military. Student recruiting information includes ONLY: name, address, telephone listing, age or date of birth, class level, academic major, place of birth, degrees received and most recent educational institution attended. It does not include and South University will not provide: social security numbers, race, ethnicity, nationality, GPA, grades, low performing student lists, religious affiliation, students with loans in default, veteran's status, students no longer enrolled. Students who opt out of the directory also opt out of student recruiting information.

III. Record of Requests for Disclosure

Except with respect to those requests made by the student themselves, those disclosures made with the written consent of the student, or to requests by or disclosures to South University officials with legitimate educational interests and disclosures of directory information (or other exceptions described in the applicable regulations), South University will maintain a record indicating the parties who have requested or obtained personally identifiable information from a student's education records and the legitimate interests those parties had in requesting or obtaining the information. This record may be inspected by the student.

IV. Directory Information

South University designates the following information as directory information. (Directory information is personally identifiable information which may be disclosed without the student's consent):

1. Student's name
2. Address: Local, email and website
3. Telephone number (local)
4. Date and place of birth
5. Program of study
6. Participation in officially recognized activities
7. Dates of attendance
8. Degrees and certificates awarded
9. Most recent previously attended school
10. Photograph of the student, if available
11. Enrollment status (*i.e.*, enrolled, continuing, future enrolled student, reentry, leave of absence, etc.)
12. Student honors and awards received.
13. The height and weight of athletic team members

Notice of these categories and of the right of an individual in attendance at South University to request that his/her directory information be kept confidential will be given to the student annually. Students may request nondisclosure of student directory information by specifying nondisclosure, in writing, to their Academic Counselor, South University, Montgomery, AL, 5355 Vaughn Road, Montgomery, AL 36116. Failure to request nondisclosure of directory information will result in routine disclosure of one or more of the above-designated categories of personally identifiable directory information.

V. Correction of Educational Records

Students have the right under FERPA to ask to have records corrected which they believe are inaccurate, misleading, or in violation of their privacy rights. The following are the procedures for the correction of records:

1. A student must ask the University Registrar to amend a record. . As part of the request, the student should identify the part of the record they want to have changed and specify why they believe it to be inaccurate, misleading, or in violation of his/her privacy rights.
2. South University may either amend the record or decide not to amend the record. If it decides not to amend the record, it will notify the student of its decision and advise the student of the right to a hearing to challenge the information believed to be inaccurate, misleading, or in violation of the student's privacy rights.
3. Upon request, South University will arrange for a hearing and notify the student reasonably in advance of the date, place, and time of the hearing. The hearing will be conducted by an individual who does not have a direct interest in the outcome of the hearing. That individual may be an official of South University. The student shall be afforded a forum for the opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records. The student may be assisted by other people, including an attorney.
4. South University will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence, and the reasons for the decision.
5. If, as a result of the hearing, South University decides that the information is inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it will (a) amend the record accordingly; and (b) inform the student of the amendment in writing.
6. If, as a result of the hearing, South University decides that the information in the education record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it shall inform the student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of the school.
7. If a statement is placed in the education records of a student under paragraph 6 above, South University will:
 1. maintain the statement with the contested part of the record for as long as the record is maintained; and
 2. disclose the statement whenever it discloses the portion of the record to which the statement relates.

VI. Student Right to File Complaint

A student has the right to file a complaint with the United States Department of Education concerning alleged failures by South University to comply with the requirements of FERPA. The name and address of the governmental office that administers FERPA is:

Family Policy Compliance Office
United States Department of Education

Transcript Requests

To get started please visit: <https://www.parchment.com/u/registration/34643914/account>.

Each student is entitled to have one official transcript forwarded to another institution. The charge for additional copies is \$10 each. Students who are current on their payment plan will have transcripts released regardless of their balance.

Satisfactory Progress

The following criteria are used to determine whether or not a student is making academic/financial aid progress, where a student must be able to:

- Maintain a minimum acceptable cumulative grade point average (CGPA);
- Achieve the minimum incremental completion rate (ICR); and
- Complete the program within a maximum allowable timeframe (MTF)

Falling below the minimum could result in academic probation or dismissal.

Consult the South University Catalog, [Satisfactory Academic Progress Policy](#) for more information as Satisfactory Academic Progress may vary based on your program of study or level (graduate or undergraduate). It is the student's responsibility to understand satisfactory progress and ask questions to the Academic Counselor or Program Director as needed.

Graduation

Commencement exercises are held once a year, at the end of spring quarter (June). A graduation application should be completed two quarters or four to six months prior to the anticipated graduation date. This form can be obtained from the registrar's office; online students may obtain the form from their Academic Counselor. A graduation fee is due and payable during the student's last quarter of enrollment.

Each student must satisfy the graduation requirements listed in the [South University Academic Catalog](#).

Procedures for Infractions

Violations of the University's academic integrity policy require completion of the Academic Integrity Violation Report (AIVR). The AIVR report must be submitted to the Dean of Academic Affairs and Operations or Campus Director, with copies to Program Chairs/Program Directors and Dean of Student Affairs. The burden of proof shall be upon the faculty member bringing the charges to prove the case. All faculty are expected to keep thorough records and documentation with copies of the work submitted.

In the case of Level One warnings or Level Two violations, the faculty member will meet with the student to outline the charge, including the level of violation and penalty. The penalty imposed by an faculty member must be recorded on the AIVR and forwarded to the Office of the Dean of Academic Affairs and Operations or Campus Director, with copies to the Program Chair/Program Director and Dean of Student Affairs. All student/faculty member conferences regarding Level Three and Four violations will be informational only. Therefore it is not appropriate for these sessions to consider appeals at this time. The Dean of Academic Affairs and Operations or Campus Director will determine the penalty.

Procedures for Infractions Involving Online Courses

If the faculty member suspects a violation of the Academic Integrity Policy, they will first meet with the student to discuss the incident. The incident report and supporting documentation, such as the student's assignment and information on the sources in question will be used to determine the severity or level of the violation. The number of previous violations committed will also be taken into consideration.

Upon receiving confirmation on the level of the incident, the faculty member will notify the student and complete the assignment grading. Depending on the level of the incident, further actions may be taken by the Dean of Academic Affairs and Operations or Campus Director.

Appealing an Academic Integrity Violation Charge

Students are encouraged to attempt to resolve any academic issues with their faculty member. When that process has been exhausted the student may appeal to the next levels. Once a penalty has been imposed, the student may accept the penalty, or they must file a written appeal.

All written appeals must be filed within fourteen (14) calendar days once the penalty has been imposed. Failure to meet this deadline will render the appeal moot. Should an Academic Integrity Violation charge be made at the end of a quarter, a grade of "I" will be assigned until the violation has been processed. It is the responsibility of the student then to appeal any adverse decision to the next level, again within fourteen (14) calendar days. The next level in the appeal process will not automatically consider it unless the student appeals it in writing and within the fourteen (14) calendar days.

Any written appeal by the student must be filed within the specified period of time and include:

- A clear statement of the nature and reason(s) of the appeal.
- A clear concise statement of the material facts, with appropriate supporting documentation.

Appeal of Academic Integrity Violation Charge or Penalty Imposed for Campus-based Students

For Level One warnings and Level Two Violations:

- Student should file a written grade appeal through their Dean of Academic Affairs and Operations or Campus Director who will forward to the appropriate individual.

Attorneys, Parents or Guardians: As this is an academic process of South University, no official or unofficial legal representation will be allowed to attend any of the identified proceedings.

Students may invite parents/guardians to attend any meetings with university personnel during the appeal process but their presence is strictly to observe the proceedings and advise the student. They are otherwise not to participate.

The Academic Integrity Violations form and all documentation related to the incident remains in the student's academic file.

Academic Integrity Policy (Graduate Students): Honor Code and Honor Council

Graduate Honor Code & Graduate Honor Council of South University

While I attend South University, I will be a fair and honorable student, and will promote fair and honorable conduct in others. I will not cheat, and I will not help others to cheat. I will do my own work, and give proper and truthful reference to those whose work has contributed any amount of content to mine.

The following policy may be superseded by similar policies specific to a College/School. Faculty should consult applicable documents in the College/School in which they are teaching. In the absence of such policies, the following policy is in effect.

The Honor Code is a policy describing expectations of student decorum in all aspects of graduate education at South University. Each College/School, due to its administrative structure and programmatic length may deviate slightly in the constitution of its particular Graduate Honor Council or in the nature of information flow. However, the fundamental concepts of definition of violations, reporting, investigation, hearing, and penalties are to remain consistent. As the following represents an academic process of the University, no official or unofficial legal representation (e.g., attorneys) will be allowed to attend any of the identified proceedings.

Article I – Name

The name of this Article shall be the Graduate Honor Council of the South University Graduate Schools.

Article II - Purpose

The purposes of the Graduate Honor Council are to:

1. Investigate and hear cases involving Graduate School students accused of honor code violations;
2. Act as a judicial body and establish the guilt or innocence of students;
3. Recommend the disciplinary action to be taken, in all cases, in which the Graduate Honor Council determines there has been a violation;
4. Work with the faculty and the administration of Graduate programs within the identified College or School regarding the administration of the Graduate Honor Code.

Article III – Authority

Student authority to request revision of the contents of any article resides with the College/School Graduate Honor Council. Any revisions are subject to approval by the faculty, the Dean and the Vice Chancellor of Academic Affairs. The responsibility for the enforcement of the Graduate Honor Council's findings lies with the faculty, Program Director, Department Chair, and Progress and Promotions committees.

Article IV – Membership

Section A. The Graduate Honor Council shall be assembled according to the nomination and selection process identified in the membership selection procedures section. The Graduate Honor Council consists of faculty and student members. A total of seven faculty members and seven student members will be selected to serve on the College/School Graduate Honor Council. A quorum for a Graduate Honor Council hearing is defined as five voting members consisting of two faculty members and three student members. One alternate faculty member and one alternate student member shall be chosen to replace a member that may be unavailable, recused, or removed from the Honor Council. Membership for the Graduate Honor Council necessitates good academic and professional standing. Terms of membership include a two year period for faculty and twelve to twenty four month period for student members.

- Attend all meetings of the Graduate Honor Council;
- Participate in and render objective judgment in discovery and hearing procedures;

Section C. In the event of a vacancy on the Honor Council (faculty or student), an alternate member chosen by majority vote of the Honor Council from the provided list, will become an active member of the Honor Council. The student replacement should be from the same class level as the vacated position (e.g., second year student). Notification will occur within 7 days of the vacancy and will be made by the President or Campus Director of the Honor Council (see Article V). If, for any reason, the President or Campus Director of the Honor Council leaves office, it will be the Honor Council's responsibility to select a replacement via majority vote.

Section D. The Graduate Honor Council will have a Faculty Advisor appointed by the College/School Dean. The Faculty Advisor will serve as a non-voting Member of the Graduate Honor Council. Section E. The following exceptions may be made to participation of members in hearing procedures:

- If a potential conflict of interest exists or some extraordinary circumstance outside of one's control, a member of the Graduate Honor Council may recuse himself or herself in a particular case. The wish of an honor council member to recuse oneself from a specific hearing should be reported to the Faculty Advisor of the Honor Council within 3 days of written notification of the case. This request should be made before any active participation occurs with the case.
- If the Graduate Honor Council President or Campus Director considers that a potential conflict of interest exists wherein one of the council members should not hear a particular case; he/she shall inform him/her accordingly. Should the decision of the President or Campus Director be disputed by the Honor Council Member, this issue of recusal should be decided by a vote of the full Honor Council following open discussion.
- If the Graduate Honor Council considers that a potential conflict of interest exists wherein the President or Campus Director should be recused in a particular case, the issue should be addressed with the President or Campus Director in a meeting of the Honor Council. Should the President or Campus Director dispute the recusal, the issue should be decided by a vote of the full Honor Council following open discussion.
- The accused Graduate student will be provided a listing of the Graduate Honor Council members at least 48 hours prior to the start of the hearing. If the accused Graduate Student considers that a potential conflict of interest exists wherein a Graduate Student Honor Council Member (Student or Faculty) should be recused, the issue should be addressed with the Faculty Advisor. Should the Graduate Student Honor Council Member dispute the recusal, the issue should be decided by a vote of the full Honor Council following open discussion.

The affected faculty or preceptor shall be notified in advance of this excused absence by the Faculty Advisor.

In the event of insufficient evidence, the case will be dropped.
- If the case is accepted, the Faculty Advisor will promptly notify the accused that he/she has been accused of a violation. The accused shall be fully informed of the nature of the charges. Notification will be provided orally and in writing via email and letter by registered mail. The accused shall be provided a copy of the violation and written notice of his or her rights to appear before the Honor Council, to testify on his/her own behalf, to present evidence and question witnesses. If the Graduate Honor Council is using the accuser's testimony in determining the guilt or innocence of the accused, the student has the right to confront the accuser. The accused may at any time waive the right to a hearing by admitting guilt to the charges brought.
- The accused may choose another registered, degree-seeking student as his/her advocate. He/she shall also have the right to provide his/her own witnesses. Witnesses are strictly limited to persons with direct evidence or direct knowledge of the alleged offense. Character witnesses are excluded from providing testimony.

Any disclosure by any participant about the case shall be considered a violation of the Graduate Honor Code.

Article IX - Hearing Procedure

Section A. Hearings of the Graduate Honor Council are closed. As such, all witnesses will be interviewed separately. The accused and any accused's advocate are permitted to be present for all presentation of evidence and witness testimony. The accuser is not required to attend the hearing.

Note: In the rare event that a student is unable physically to attend the Graduate Honor Council proceedings in person, he/she will be required to sign a statement of confidentiality attesting to the fact that no one else is in the same room or able to hear the proceedings during the hearing and that no audio/video recordings are being made of the hearing. The student will also be required to join the hearing via University-approved video conferencing. In the event a student violates the statement of confidentiality/attestation, he/she is subject to being charged with an academic/professional violation(s) with penalty(ies) to be decided in a separate hearing.

Section B. The procedure for conducting a hearing shall be as follows:

The office of the College/School Dean shall maintain this file for a period of 10 years.

Section C. The decision rendered by the Honor Council will be its final decision.

Grounds for an appeal should be submitted in writing to the office of the College/School Dean by the accused within five (5) business days of written notification of the Honor Council decision and penalty. Intellectual Property Policy

Notice of South University's Policies to Comply with the Higher Education Opportunity Act of 2008

The unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject students and individuals to civil and criminal liabilities. Almost all of the music, movies, television shows, software, games and images found on the Internet are protected by federal copyright law. The owner of the copyright in these works has the right to control their distribution, modification, reproduction, public display and public performance. It is generally illegal therefore to use file sharing networks to download and share copyrighted works without the copyright owner's permission unless "fair use" or another exemption under copyright law applies.

Fair use under the federal Copyright Act allows the use without permission of copyrighted material for the purpose of criticism, comment, news reporting or teaching under certain limited circumstances. There is no blanket exception from liability for students or employees of educational institutions, however, and whether the use of copyrighted material without permission falls within "fair use" or one of the other exceptions in the Act depends on a very detailed, case-by-case analysis of various factors. Students should be aware that sharing music, videos, software and other copyrighted materials is very likely not to be considered a "fair use" and therefore may be a violation of the law.

A violation of the institution's policy for use of its information technology system can result in termination of network access for the student and/or other disciplinary action including removal of the student from the institution. Moreover, there are severe civil and criminal penalties for copyright infringement under federal law. Within a reasonable period of time after the complaint is received, the Dean of Student Affairs or his/her delegate will notify the student of the complaint and the alleged violation of the student conduct policy. This notification may be in written form or through oral communication. The student will meet with the Dean of Student Affairs or his/her delegate to discuss the complaint and alleged violation. The Dean of Student Affairs or his/her delegate will render and communicate the decision to the student.
- b.) If a good faith effort has been made to contact the student to discuss the alleged violation and the student fails to appear for the meeting, the Dean of Students or his/her delegate may make a determination of violations of South University policies on the basis of the information available, and impose sanctions for such violations. This decision shall be communicated to the student.
- c.) The Dean of Student Affairs or his/her delegate's determination shall be made on the basis of whether it is more likely than not that the student violated a rule, regulation or policy of South University.

Procedures Regarding Student Dismissals

When the Administration proposes to dismiss/expel a student from South University, the following procedures should apply unless the student elects to forego them.

- a.) The charges against the student shall be presented to the student in written form, including the time, place and nature of the alleged offense(s). A time shall be set for a hearing not less than two nor more than fifteen calendar days after the student has been notified of the charges and his/her proposed dismissal from school. Maximum time limits for scheduling of hearings may be extended at the discretion of the Dean of Student Affairs or his/her delegate
- b.) Hearings shall be conducted by the Dean of Student Affairs or his/her delegate (herein referred to as the "Hearing Officer") **according to the following guidelines:**
 - Hearings normally shall be conducted in private
 - Admission of any person to the hearing shall be at the discretion of the Dean of Student Affairs or his/her delegate.
 - In hearings involving more than one student, the Hearing Officer, in her or her discretion, may permit the hearing concerning each student to be conducted separately
 - The complaining party (which may be a member of the Administration) and the student may present witnesses at the hearing. Those witnesses may be questioned by the Hearing Officer
 - Pertinent records, exhibits and written statements may be accepted as evidence for consideration by the Hearing Officer at his/her discretion
 - All procedural questions are subject to the final decision of the Hearing Officer
 - After the hearing, the Hearing Officer shall determine whether the student has violated the rules, regulations or policies that the student is charged with violating. - The Hearing Officer shall provide the student with a copy of the determination, including information regarding the student's right of appeal to the University Conduct Committee.

Sanctions

If a student is found in violation of the Code of Conduct, South University may impose sanctions. The type of sanction imposed may vary depending upon the seriousness of the violation(s) and South University reserves the right to immediately impose the most severe sanction if circumstances merit.

Although not exhaustive, the following list represents the types of sanctions that may be imposed upon any student or student organization found to have violated the student conduct policy:

1. Warning: A notice in writing that a student has failed to meet some aspect of the school's standards and expectations
2. Administrative Reprimand which may or may not be recorded in the student's permanent record
3. Probation: Probation is used for repeated violations or a specific violation of a serious nature as a first course of action. The Chief Conduct Officer or his/her delegate defines the terms of probation.
4. Educational Sanctions: The student will be required to complete an educational service, work assignment, service to the university, attend counseling, or have restricted privileges.
5. Removal from Sponsored Housing: The student will be immediately dismissed from school-sponsored housing. The student will be required to vacate the premises according to the terms of the sanction.
6. Suspension: Separation of the student from the school for a pre-determined period of time. The student may be able to return to school once specified conditions for readmission are met. The student may not attend classes, visit university-sponsored housing, use school facilities, participate in or attend college activities, or be employed by the school during his/her suspension.
7. Expulsion: The student will be expelled from South University immediately. The student will not be permitted to continue his or her studies at the college and may not return to the college or to college-sponsored housing or activities at any time or for any reason.
8. Restitution: Compensation for loss, injury, or damage to property leased, owned or controlled by the university. This may take the form of appropriate services and/or monetary or material replacement.

In all cases, if the student is not satisfied with the decision, he or she may appeal the judgment by requesting a hearing before the University Conduct Committee. The student must obey the terms of the initial decision pending the outcome of the appeal i.e. a student who has been suspended or expelled from school may not be on school property.

The request must be made in writing to the Dean of Student Affairs within five working days of notification of the above decision and must include the student's reasons for the appeal. The request must include specific reasons why the student feels the disciplinary process, the finding, and/or the sanction should be reviewed by a committee. If no request for appeal is made, the decision is final. Requests for a hearing will result in the University Conduct Committee being contacted to arrange a hearing not less than two or more than fifteen calendar days after notice of the original decision has been given to the student. The maximum time limit for scheduling a hearing may be extended at the discretion of the Dean of Student Affairs if the decision is rendered during a university break between terms when most faculty and students are off campus.

The University Conduct Committee will hold a hearing on the appeal and make a recommendation regarding disposition of the appeal. This committee will be comprised of staff and faculty members not involved in making the initial disciplinary decision. Committee members are chosen at the sole discretion of South University and

will be comprised of one Department Chair or coordinator, one faculty member, and one student. South University reserves the right to exclude a student member from the Conduct Committee when circumstances merit. The Dean of Student Affairs or his/her delegate will coordinate and provide logistical support to the hearing. The student making the appeal and the person bringing the charges will be provided an opportunity to address the committee in person. The student may be accompanied by one person (family member, friend, etc.) as an observer. The student may not be accompanied by an attorney. The committee may prohibit from attending or remove any person who disrupts the proceedings of the committee. The committee shall determine all matters relating to the conduct of the hearing including, for example, relevancy of evidence, duration of the hearing or any part thereof, procedures, the weight to be given any evidence.

The committee will report back to the President or Campus Director or his/her delegate with its recommendation following its review of the appeal. The President or Campus Director or his/her delegate will render a written decision on the appeal within thirty calendar days from receipt of the appeal and communicate this promptly to the student. The President or Campus Director's decision shall be final. International students subject to any level of sanctions must meet with the International Student Advisor to ensure student visa status requirements are met.

Interim Suspension or Immediate Expulsion

South University may immediately remove, suspend, or expel a student from school without applying or exhausting these procedures when, in South University's sole judgment, the student poses a threat of harm to himself, to others, or to property of South University or a member of South University. After the expulsion or during the interim suspension, students shall be denied access to the school including classes, labs, library, clinical assignments, and school sponsored housing and rotations and/or all other school activities or privileges for which the student might otherwise be eligible.

Violations of Law

Proceedings under this policy may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus. South University will cooperate fully with law enforcement and other agencies in the enforcement of criminal laws on school property.

This policy also applies to student property in school-sponsored housing.

This policy is applicable to all students and members of a student club or organization at South University. Every student and member of a student club or organization is responsible for complying with this policy.

Individuals and/or student clubs that force, require, and/or endorse violations will be held directly responsible through the University’s student conduct process and if appropriate, through local authorities, which may pursue criminal action. Students who wish to make a complaint under this policy should contact the Dean of Student Affairs located at 334-395-8821. In all cases of alleged violations of this policy, faculty and staff advisors and the national/international headquarters, if applicable, of any organization will be notified.

Examples include, but are not limited to, prostituting another student; inducing a student into sexual intercourse, sexual contact, or other sexual activity by implicit or explicit threat of exposure of personal information or academic consequences; non-consensual video or audio-taping of sexual activity; allowing others to observe a personal consensual sexual act without the knowledge or Consent of all involved parties; and knowingly transmitting or exposing another person to a sexually transmitted infection without the person's knowledge.
- **Indecent Exposure:** the exposure of the private or intimate parts of the body in a lewd manner in public or in private premises when the accused may be readily observed.
- **Sexual Harassment:** unwelcome sexual advances, requests for sexual favors, and other physical or verbal conduct of a sexual nature when it meets any of the following: (a) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's academic status; or (b) Submission to or rejection of such conduct by an individual is used as the basis for academic decisions affecting such individual; or (c) Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive environment for working, learning, or living on campus.

B. What is "Relationship Violence"?

Relationship Violence includes:

- **Domestic Violence:** Violence, including but not limited to sexual or physical abuse or the threat of such abuse, committed by a current or former spouse or intimate partner or any other person from whom the student is protected under federal or applicable state law.
- **Dating Violence:** Violence, including but not limited to sexual or physical abuse or the threat of such abuse, committed by a person who is or has been in a social relationship of a romantic or intimate nature with the alleged victim. The existence of such a relationship is generally determined based on a consideration of the length and type of relationship and the frequency of interaction.
- **Stalking:** A course of conduct directed at a specific person that would cause a reasonable person to fear for their own safety or the safety of others or suffer substantial emotional distress. A course of conduct means two or more acts in which a person directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person or interferes with a person's property.

The following also constitute violations of this Policy:

- **Complicity:** Assisting, facilitating, or encouraging the commission of a violation of this Policy.
- **Retaliation:** Acts or attempted acts for the purpose of interfering with any report, investigation, or proceeding under this Policy, or as retribution or revenge against anyone who has reported Sexual Misconduct or Relationship Violence or who has participated (or is expected to participate) in any manner in an investigation, or proceeding under this Policy. Prohibited retaliatory acts include, but are not limited to, intimidation, threats, coercion, or discrimination. To be clear, retaliation against a Complainant for reporting an incident or against any witness who participates in an investigation is strictly prohibited.
- **C. Who are "Complainants" and "Respondents"?**
- South University is not a court of law. We also do not engage in victim-blaming or rushes to judgment. Therefore, without judgment, we refer to anyone who reports that s/he has experienced Sexual Misconduct as a "Complainant" and to anyone who reportedly has engaged in Sexual Misconduct as a "Respondent."

D. Defining Consent

In many cases of Sexual Misconduct, the central issue is consent or the ability to give consent. Consent is a voluntary agreement to engage in sexual activity. Consent to engage in sexual activity must exist from beginning to end of each instance of sexual activity. Past Consent does not imply future Consent, and Consent to engage in one form of sexual activity does not imply Consent to engage in a different form of sexual activity. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Consent must be knowing and voluntary. To give Consent, a person must be awake, of legal age, and have the capacity to reasonably understand the nature of her/his actions. Individuals who are physically or mentally incapacitated cannot give Consent. Silence, without actions evidencing permission, does not demonstrate Consent. Where force, threats, or coercion is alleged, the absence of resistance does not demonstrate Consent. Force, threats, or coercion invalidates Consent. The responsibility of obtaining Consent rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one's responsibility to obtain Consent or negate one's intent.

Consent to engage in sexual activity may be withdrawn by either person at any time. Once withdrawal of Consent has been clearly expressed, the sexual activity must cease.

Incapacitation is the inability, temporarily or permanently, to give Consent, because the individual is mentally and/or physically helpless due to drug or alcohol consumption, either voluntarily or involuntarily, due to an intellectual or other disability that prevents the student from having the capacity to give Consent, or the individual is unconscious, asleep or otherwise unaware that the sexual activity is occurring. In addition, an individual is incapacitated if he or she demonstrates that they are unaware of where they are, how they got there, or why or how they became engaged in a sexual interaction. Where alcohol is involved, incapacitation is a state beyond drunkenness or intoxication. Some indicators that an individual is incapacitated may include, but are not limited to, vomiting, unresponsiveness, inability to communicate coherently, inability to dress/undress without assistance, inability to walk without assistance, slurred speech, loss of coordination, lack of awareness of circumstances or surroundings, or inability to perform other physical or cognitive tasks without assistance.

E. Title IX Coordinator & Deputy Coordinators

The Title IX Coordinator for South University is: Alisa Krouse, Vice Chancellor for Student Success and Administration. The Title IX Coordinator is responsible for, among other things, coordinating the campus's

efforts to comply with and carry out the campus's responsibilities under Title IX of the Education Amendments of 1972, including compliance with this policy. The Title IX Coordinator will help to coordinate any investigations under this Policy.

In addition, the University has other individuals who serve as Deputy Title IX Coordinators to help oversee investigations and determination proceedings under this Policy.

II. Reporting & Confidentiality

We encourage victims of Sexual Misconduct & Relationship Violence to talk to somebody about what happened - so they can get the support they need, and so the University can respond appropriately.

Different employees on campus have different abilities to maintain confidentiality:

- **CONFIDENTIAL REPORTING:** Some individuals are required to maintain near complete confidentiality. These include professional counselors such as those provided by Talk One2One counselling services. These individuals can provide resources and generally talk to a victim without revealing any personally identifying information about an incident to the University. A victim can seek assistance and support from these individuals without triggering a University investigation.
- **NON-CONFIDENTIAL REPORTING.** Other than professional counsellors defined above, most other employees and contractors are required to report all the details of an incident to the Title IX coordinator. A report to these employees (called "responsible employees") constitutes a report to the University and generally obligates the University to investigate the incident and take appropriate steps to address the situation. The following campus employees (or categories of employees) are examples of responsible employees: the Title IX Coordinator, all Deputy Title IX Coordinators, President or Campus Director, Dean of Student Affairs, other Student Affairs staff, Academic Counselors, the Security Team (including contract security personnel), all full-time and adjunct Faculty, and Human Resources..

The University will seek to protect the privacy and confidentiality of the individuals involved in any report of alleged Sexual Misconduct or Relationship Violence to the extent possible and allowed by law. The Title IX Coordinator will evaluate any request for confidentiality in the context of the University's responsibility to provide a safe and nondiscriminatory environment to all members of its community.

The University will complete any publicly available record-keeping, including Clery Act reporting and disclosure, without the inclusion of identifying information about the alleged victim. It will also maintain as confidential any interim measures or remedies provided to the alleged victim to the extent that maintaining confidentiality will not impair its ability to provide the interim measures or remedies.

In addition to internal reporting, the University strongly encourages anyone who believes they have experienced a sexual assault (or any other crime) to make a report to local law enforcement. Collection and preservation of evidence relating to the reported sexual assault is essential for law enforcement investigations, so prompt reporting of the incident to law enforcement is especially critical. Designated staff will, upon request, assist an individual in making a report to law enforcement as necessary and appropriate.

Although we strongly encourage complainants to report to local law enforcement, such a report is not a prerequisite to the University's review and investigation of any complaint covered by this Policy. The University will honor a Complainant's request not to report the matter to local law enforcement UNLESS we have a reasonable basis to believe that the safety and security of the campus community is at risk. In this event, the University will endeavor to notify a Complainant or Reporter of the institution's intent to report the matter to law enforcement in advance of any such report.

The University does not limit the time frame for reporting under this Policy, although a delay in reporting may impact the University's ability to take certain actions.

Other Code of Conduct Violations: The University encourages students who have been the victim of Sexual Misconduct or Relationship Violence to come forward. Students should not be discouraged from reporting such incidents because they fear discipline for their own violations of the Student Code of Conduct, such as use of alcohol in University housing. Therefore, the University has discretion not to pursue other violations of the Student Code of Conduct that occurred in the context of the reported incident of Sexual Misconduct or Relationship Violence.

III. Response Procedure

Students are encouraged to report any incident of Sexual Misconduct or Relationship Violence to the Title IX Coordinator, Deputy Title IX Coordinator, the Dean of Student Affairs, or the Campus President or Campus Director. If a report is made verbally, the University will request a written statement by the student.

Upon receipt of a report, the University will generally proceed as described below.

A. Investigation Commencement

The University will provide a timely and thorough investigation. Barring exigent circumstances, cases of Sexual Misconduct and Relationship Violence will generally be resolved within a 60 day period once the incident has been reported. An extension of time may be necessary if witnesses are unavailable or uncooperative or due to other extenuating circumstances beyond the control of the investigator.

B. Initial Response

Once the University is put on notice of possible Sexual Misconduct and Relationship Violence, the Complainant will be offered appropriate confidential support, accommodations, and other resources and will be notified of applicable policies and procedures. Accommodations include the ability to move to different housing, to change work schedules, to alter academic schedules, to withdraw from/retake a class without penalty, and to access academic support. The Respondent also will be offered appropriate resources and notified of applicable policies and procedures.

C. Interim Intervention

Pending a final determination, the Title IX Coordinator and/or Student Affairs staff will take appropriate interim measures. The University will take steps to prevent the recurrence of harassment and to correct its discriminatory effects on the Complainant and others, if appropriate. These measures may include, but are not limited to, the imposition of a no-contact order and/or employment, transportation, residence, and academic modifications, and/or transfer or removal from an internship/externship/practicum site. Student Affairs staff may limit a student or organization's access to certain University facilities or activities pending resolution of the matter. The University may impose an Interim Suspension on the Respondent pending the resolution of an alleged violation when the University determines, in its sole discretion, that it is necessary in order to protect the safety and well-being of members of the campus community.

D. Decision to Proceed to Investigation

If the Complainant is willing to participate in the review and investigation process, the University will proceed as described below in Section III (E).

If the Complainant requests a confidential investigation, the University will seek to protect the privacy and confidentiality of the Complainant to the extent possible and allowed by law. The Title IX Coordinator will

evaluate any request for confidentiality in the context of the University's responsibility to provide a safe and nondiscriminatory environment to all members of its community.

If a confidential investigation is requested and agreed to, the University will investigate without revealing the name of the Complainant in any interview or email and will not ask questions that inadvertently or reasonably could reveal the identity of the Complainant.

If the Complainant asks that the report of sexual misconduct not be pursued, the University will consider the interests of the Complainant, the campus community, law enforcement, and/or other appropriate interests under the circumstances. The University, in consultation with the Title IX Coordinator, will make a final decision on whether and to what extent it will conduct an investigation, and notify the Complainant promptly. In the event that a campus-wide alert related to the incident is deemed necessary, the campus shall generally attempt to notify the Complainant of the alert and its content before it is circulated. If the campus is unable to contact the Complainant in a timely fashion, or otherwise deems it necessary, the message may be sent without his/her review.

E. Investigation Procedure

Investigators do not function as advocates for either Complainants or Respondents. Investigators can, however, identify advocacy and support resources for either Complainants or Respondents.

The Respondent will receive written notice of the report and the nature of the alleged misconduct. He/She will be advised in writing of the investigation process and opportunity to provide any relevant evidence.

The Investigation will generally be conducted by the Dean of Student Affairs for the campus (or any other individual appointed by the Title IX Coordinator) if the Respondent is a student, or third party. If the Respondent is a faculty or staff member, Employee Relations will also participate in the investigation. The investigator will separately interview both Complainant and Respondent. Both parties will be able to provide evidence and suggest other witnesses to be interviewed. The investigator will interview other relevant witnesses and review any other available relevant evidence. Both the Complainant and Respondent can have another individual present during their own respective interviews. If the Complainant or Respondent elects, they may have an attorney present during their own interview, but said attorney may not advocate during the interview.

F. Determinations

1. For cases where the Respondent is a student.

The investigator will present all evidence to the Title IX Coordinator (or his/her designated Deputy Title IX Coordinator). In all cases, the Title IX Coordinator or the designated Deputy Title IX Coordinator will be appropriately trained regarding handling and considering sexual misconduct and relationship violence cases.

The Title IX Coordinator will weigh the evidence presented and decide whether additional evidence is necessary for consideration. Ultimately, the Title IX Coordinator will make a determination of whether a violation of the Sexual Misconduct & Relationship Violence Policy or any other policy has occurred. The University reserves the right to convene a Determination Panel to review the evidence and make the determination in appropriate circumstances.

2. For cases where the Respondent is a Faculty or Staff Member.

The investigator will present all evidence to the Ethics Committee. The Ethics Committee will be appropriately trained regarding handling and adjudicating sexual misconduct and relationship violence

cases. The Ethics Committee will weigh the evidence presented and make a determination whether a violation of the Sexual Misconduct & Relationship Violence Policy or any other policy has occurred. For cases where the Respondent is a Third Party

The investigator will present all evidence to the Title IX Coordinator (or his/her designated Deputy Title IX Coordinator). In all cases, the Title IX Coordinator or the designated Deputy Title IX Coordinator will be appropriately trained regarding handling and considering sexual misconduct and relationship violence cases.

The Title IX Coordinator will weigh the evidence presented and decide whether additional evidence is necessary for consideration. Ultimately, the Title IX Coordinator will make a determination of whether a violation of the Sexual Misconduct & Relationship Violence Policy or any other policy has occurred. If the Title IX Coordinator determines that this Policy has been violated by a third party at an associated off-campus location, such as an internship or practicum site, the Title IX Coordinator will review the terms of any contract or Affiliation Agreement and determine what appropriate action should be taken pursuant to the written agreement.

G. Standard of Proof

In all cases under the Sexual Misconduct policy, the Title IX Coordinator (or designee) or the Ethics Committee will determine if a violation of policy has occurred by the preponderance of evidence standard. Thus, they will determine whether it is more likely than not that a violation has occurred.

H. Potential Sanctions

If a violation of policy has been found, the Title IX Coordinator or the Ethics Committee will impose appropriate sanctions, including but not limited to coaching, training, probation, suspension, or expulsion in the case of students or coaching, training, written warning, demotion, or termination in the case of employees, and termination of any relationship/contract/Affiliation Agreement in the case of a third party.

I. Outcome Notifications

Both the Complainant and Respondent will be notified in writing of the outcome of the investigation and of the sanctions imposed, if any.

If the Respondent is a third party, the notice of outcome will include a finding of fact and a justification for the decision based on appropriate legal standards.

J. Appeals

If the Complainant or Respondent is a student, he or she may appeal the outcome determination by written appeal to the Campus President or Campus Director within 15 days of notification of the outcome. An appeal may be made based only on one or more of the following reasons:

1. New and significant evidence appeared that could not have been discovered by a properly diligent charged student or complainant before or during the original investigation and that could have changed the outcome.
2. The Finding is Arbitrary and Capricious: Reading all evidence in the favor of the non-appealing party, the finding was not supported by reasonable grounds or adequate consideration of the circumstances. In deciding appeals, the Campus President or Campus Director is allowed to make all logical inferences in benefit of the non-appealing party.
3. Disproportionate Sanctions: The sanctions were disproportionate to the findings.

The appeal shall consist of a written statement requesting review of the conduct decision or sanction and explaining in detail the basis for the appeal. The Campus President or Campus Director, or designated representative, will notify the non-appealing party of the request for an appeal. Within five working days of receipt of the notice, the non-appealing party may submit a written statement to be included in the case file. The appeal may proceed without the non-appealing party's written statement if it is not submitted within the designated time limit.

The Campus President or Campus Director will endeavor to make a determination of the appeal within 15 business days of receipt. The President or Campus Director's decision is final.

Health and Safety

Campus Security

South University publishes an annual security report that contains information concerning policies and programs relating to campus security, crimes and emergencies, the prevention of crimes and sexual offenses, drug and alcohol use, campus law enforcement and access to campus facilities. The annual security report also includes statistics concerning the occurrence of specified types of crimes on campus, at certain off-campus locations, and on the public property surrounding the campus. The annual security report is published each year by October 1st and contains statistics for the three most recent calendar years. The annual security report is provided to all current students and employees. A copy of the most recent annual security report may be obtained from the Student Services office during regular business hours. Copies of the Crime Report are available on the South University website in the Student Consumer Information section

In addition to the annual security report, South University maintains a crime log recording all reported crimes. The crime log is available for public inspection during regular business hours by request in the Department of Student Affairs. South University will report to the campus community concerning the occurrence of any crime includable in the annual security report that is reported to campus security or local police and that is considered to be a threat to students or employees.

South University reminds all students that they are ultimately responsible for their own actions regarding their safety and welfare.

Campus Safety

South University provides students and staff with a well-maintained campus. Security Officers are on campus from 8:00am until 10:00pm Monday – Thursday, 8:00am – 5:00pm on Friday – Saturday. Access to buildings is limited and unauthorized persons will be asked to leave.

Any occurrence of criminal activity should be reported to the Dean of Student Affairs or the front desk immediately. The Dean of Student Affairs will complete a South University Incident Report in such cases. The Montgomery Police Department will also be notified in order for a uniformed police officer to respond, make a preliminary investigation and write a police report.

All students and staff are asked to take reasonable precautions for their own safety as well as the safety of the other members of the campus community. To reduce the chance of potential problems, it is suggested that you take some basic precautions:

1. Do not leave purses, wallets, or book-bags unattended on campus.
2. Always lock your car. Do not leave valuable items visible in parked cars.
3. Walk in pairs on campus after dark.
4. Report suspicious behavior immediately to security or other campus official.

The South University community shares the responsibility for practicing good safety habits and abiding by the policies and procedures designed for campus security.

Drug free schools and communities information as well as South University graduation rate information is also available at this site <https://www.southuniversity.edu/montgomery/montgomery-sci>. A paper copy of this report may be obtained from the Dean of Student Affairs.

Emergency Notification

Students are strongly encouraged to subscribe to South University's electronic emergency notification system, known as **My Campus Alert**. In an emergency, **My Campus Alert** will enable authorized college officials to reach members of the campus community through mechanisms other than regular college email and telephones. The system can transmit short notifications by email to any outside email address, by text message to a cell phone, or by voice message to an off-campus telephone. The information in the emergency notification system will be used primarily to contact you in case of emergency, an evacuation due to a natural disaster, or some other urgent situation that requires rapid, wide-scale notification of your campus community. Students may set up their accounts by following instructions provided via the welcome e-mail from *Rave Mobility*.

Fire Evacuation

Fire extinguishers are located throughout the campus and can be used for small fires. In case of a major fire, all individuals should remain calm and leave the building through the closest door or emergency exit available. Evacuations should be orderly with no running or unnecessary talking. Maps and signs of emergency exits are posted in each classroom.

Inclement Weather Policy

In the event of severe weather conditions, students will be notified of the cancellation or delay of classes via the South University My Campus Alert System. Whenever possible, notification of cancelled or delayed courses will occur at least three (3) hours prior to the course start time. Cancelled courses may require make-up course meeting times, or additional assignments. Faculty will notify students at the next regularly scheduled class meeting how the missed class time will be made up, if warranted.

Students in online courses are expected to meet the weekly attendance requirements. Failure to meet weekly attendance in an online course may result in the student's administrative withdrawal from the course and the University. In the event that a severe weather event prohibits a campus-based student from attending an

online class, the student is expected to communicate with the appropriate faculty member(s) as quickly as is reasonable, and should contact the Registrar's office. Students in online programs should contact their faculty member(s) as quickly as is reasonable, and their Academic Counselor. Please review the University Attendance Policy for more information.

If classes are not canceled despite inclement weather, students are responsible for any academic work they miss as a result of the weather.

Students may sign up for My Campus Alert by following instructions provided via the welcome e-mail from *Rave Mobility*.

Weather Announcements

In the event of inclement weather, all students and personnel should assume that classes will be held unless notified by *My Campus Alert*, radio or television announcements. South University will use all major media stations in the area when making announcements.

Health Insurance and Medical Referrals

Students are encouraged to maintain health insurance and coverage for their well-being. The University recommends international students obtain health insurance. Additionally, certain academic programs in the School of Health Professions require students to maintain health insurance. See the University Catalog for details.

Information concerning medical and dental providers as well as emergency resources is available from the Dean of Student Affairs. In the event of a medical emergency, the Montgomery emergency medical service will be contacted by calling 911. Students are, however, responsible for any resulting expenses. Students should review their personal and family insurance policies to determine whether adequate coverage exists.

Immunization Policy

South University recognizes all state and federal vaccination and immunization requirements and is responsible for ensuring compliance with applicable requirements. The state specific immunization requirements are listed below.

Institutional Vaccination Requirements:

Some South University programs have additional immunization requirements. Prospective and current students should review the admission requirements for the educational program of their choice for the institutional requirements. In addition, if applicable, the Programmatic Student Handbooks include information for the maintenance of immunizations during enrollment.

Florida

The information provided below complies with Florida Statute § 1006.69, which requires the following:

- Provide detailed information concerning the risks associated with meningococcal meningitis and hepatitis B and the availability, effectiveness, and known contraindications of any required or recommended vaccine to every student, or to the student's parent if the student is a minor, who has been accepted for admission.

Georgia

Federal Vaccination Recommendations and Requirements:

Vaccination Recommendations for College Students

On February 10, 2005, the Advisory Committee on Immunization Practices (ACIP) for the Centers for Disease Control and Prevention (CDC) voted to recommend that all incoming college freshmen living in dormitories be vaccinated against meningococcal disease. The ACIP also recommended vaccination for all adolescents at high school entry and during pre-adolescent health care visits (11 to 12 years old).

The American College Health Association (ACHA) issued similar immunization recommendations for all first-year students living in residence halls. The ACIP and ACHA recommendations further state that other college students under 25 years of age may choose to receive meningococcal vaccination to reduce their risk for the disease.

ACHA and ACIP recommendations, coupled with the availability of a new vaccine that may provide longer duration of protection, will help increase rates of immunization against meningococcal disease and will give

college health professionals the guidance needed to help protect college students against meningococcal disease.

Drug and Alcohol Prevention Program and the Drug-Free Workplace and Campus Program

In keeping with section 120(a) through (d) of The Higher Education Act of 1965, as amended, including the Drug-Free Schools and Communities Amendments of 1989 (Public Law 101-226), a “Drug Free Schools and Campuses” publication, the ‘Drug and Alcohol Prevention Program and the Drug-Free Workplace and Campus Program’, is provided to all students and employees annually.

Pursuant to federal and state drug laws, employees and students are prohibited from the unlawful manufacture, distribution, possession, sale or use of illicit/illegal drugs. The college also enforces state laws regarding underage drinking. This prohibition applies while on the property of the college or when participating in any institutional activity. Students or employees who violate this policy will be subject to disciplinary action up to, and including, expulsion from the college or termination of employment.

Procedures Following Suicide Threats and Attempts

The University is committed to the well-being and safety of its school community. The University expects and encourages students to maintain a reasonable concern for their own self-welfare and in turn, the welfare of the school community. In the event that the University has reasonable cause to believe that a student attempted, will attempt, or has engaged in efforts to prepare to commit suicide, the University may require the student to suspend their studies at the University until the student can demonstrate that they have sought help or assistance from others including family, mental health professionals, support groups or any other resource that offer support around suicidality.

Students with psychological impairments that affect the student’s ability to function in the school community (academically, socially or otherwise) may opt for a medical withdrawal or a medical leave of absence. The University, at its discretion, may set restrictions and/or conditions for the student to return to the University including receiving outside counseling and signing a safety contract.

The University cannot provide the long-term psychological treatment that is necessary for students experiencing suicidal distress. Because of the serious nature of attempted suicide and/or suicidal ideation, the student’s parents or other support person(s) may be contacted by the school and informed of the student’s condition. The Family Educational Rights and Privacy Act (FERPA) permits school officials to contact parents without the student’s consent, “if knowledge of the information is necessary to protect the health and safety of the student or other individuals.” If circumstances indicate further harm may come to a student by contacting family members, other options may apply.

Counseling Services

South University students may access confidential counseling services at no additional cost, 24 hours/day, 7 days/week, by calling Reach Student Assistance Program at 855-691-4941. Students may speak or video chat with a licensed counselor regarding any concern. Students may be referred to up to six in-office counseling sessions with a networked counselor in the local community. A student in crisis should call a Reach counselor or “911”.

Additionally, Reach counselors will connect students with no cost legal services, financial advising, ID recovery, medical advocacy, and daily living resources and referrals.

Additional counseling and wellness resources are available through the Reach website <http://reachworklife.powerflexweb.com/> and My Life Expert app. Students should see the Dean of Student Affairs for log in credentials to access these digital resources.

Financial Aid

Financial aid is available to all qualifying students. Assistance may be in the form of federal and state grants, federal loans, and federal work-study. The primary application is the Free Application for Federal Student Aid (FAFSA). The FAFSA must be submitted annually. It may be accessed electronically at www.fafsa.ed.gov.

In order to receive federal assistance, a student must be making measurable progress toward the completion of his/her course of study and pursuing a degree. The student must maintain satisfactory academic progress as specified in the catalog. Enrollment status of less than full-time (12 credit hours) may also impact eligibility for certain financial programs. Please see the “Financial Information” section of the [South University Catalog](#) for specific refund policies.

For detailed and complete information on all financial aid awards, processes, requirements, and deadlines, please refer to the school's current Financial Aid Guide, the Student Consumer information on the [South University website](#), or contact the Student Financial Services Office directly.

The South University Libraries provide scholarly resources and information services to support the curriculum and programs of the University, foster academic and professional research by the University community, and facilitate critical thinking and life-long learning by students. The Libraries provide more than 120,000 print book titles, 7,600 AV titles, 150 print journal titles, and 27 newspapers in their collections. Access to additional journals, newspapers, e-books, and other materials is provided through over 100 electronic databases. Research Guides are a content management resource that provide program-related content in an easy to use, all in one place format.

Valid student ID cards are required to check out materials. If a card is lost, the student should report the loss to Dean of Student Affairs as soon as possible. Most materials may be checked out for a two-week period. Students will be charged a replacement fee for all materials that are not returned or returned in damaged condition. Reference materials, reserves items, pamphlets, vertical files, and periodicals are available for use in the library only. All items must be properly checked out at the circulation desk. Failure to comply is an infringement of library policy and the “Code of Conduct.” Students will be held responsible for the loss or damage of materials while in their possession and are subject to the library rules and regulations as outlined in the [Library Policy and Procedure Manual](#).

South University [campus](#) libraries provide comfortable seating and study space for students, wireless capabilities for laptop network connectivity, and reference and interlibrary loan services. The open-stack book collection provides access to reference and circulating materials, program-specific resources to support class assignments, tutorial aides, and current events and recreational reading. Electronic resources are available 24 hours a day. Duplicating services, interlibrary loan, and printing services are available in the library, as well as access to the Internet, Microsoft Office Suite, and individual reference services.

Students have opportunities to attend course-based library presentations or periodic live workshops on library navigation, APA and Turabian citation basics, basic research skills, and other library topics. To schedule a one-on-one research consultation or library resources tutorial, please contact the library at onlinelibrary@southuniversity.edu or 1-866-874-0730. New students are encouraged to participate in an orientation to help familiarize them with the facility's resources and procedures. New Student Orientation also helps familiarize students with Online Library Resources. Please take advantage of these sessions so you can use all the Library has to offer.

Military and Veterans Affairs

Military students are encouraged to ask about academic support, financial aid advising, disability services or career counseling that is made available on campus. Students in on-campus programs should contact the Financial Aid department for financial aid advising, their Academic Advisor for academic support and the Dean of Student Affairs or the Dean of Academic Affairs and Operations or Campus Director for disability services and career counseling. Students in online programs should request information from their Academic Counselor, Student Finance Counselor or Assistant Director of Admissions.

Veteran students need to be aware of the following veteran's administration policies that apply to anyone using veterans' educational benefits.

- Veterans must consult with the financial aid office prior to changing their program of study.
- The Veterans Administration will not pay for a course that the student drops after the first week of class unless mitigating circumstances can be proven. Please see a financial aid representative before dropping a class.
- The Veterans Administration will pay for a repeat course only if the student has received a failing grade in said course or if the program requires a higher grade than the one achieved and only if it is required for graduation.

Veterans in either on-campus or online programs should be aware that the Veterans Administration will not pay for a course that a student drops after the first week of class unless extreme circumstances justify course withdrawal. Veterans should consult their Financial Counselor before withdrawing from any class after the first week of the session. Students who are veterans should also contact the Veterans Administration before withdrawing from school.
