The future is yours to create.

Our Game Art & Design program is all about learning and understanding the game creation process. Get your start with the guidance and mentoring of instructors* who come from the world of gaming, as you work with the same kinds of technology the professionals use. You can launch your career with a digital portfolio that can help you grab the attention of potential employers. And you’ll be ready to begin a career where you can do what you love, for life.
**ADD A TECHNOLOGICAL DIMENSION.**

Here’s a sample of what you might work with as you build your skills:

**HARDWARE:**
- Hewlett-Packard PC workstations
- Motion capture system

**GAME ENGINES CAN INCLUDE:**
- Unity 3D
- Unreal UDK

**SOFTWARE:**
- Adobe Creative Cloud
- Autodesk Entertainment Creation Suite, including:
  - 3DS Max
  - Maya
  - Mudbox
  - MotionBuilder
  - Pixologic ZBrush

**DON’T JUST PLAY GAMES. BUILD CAREER-READY SKILLS.**

Here in our creative and supportive environment, you’ll begin with the fundamentals. Harnessing the principles of design, drawing, and color—in both traditional and digital art—will be your springboard toward high-powered art creation for games. You’ll have the opportunity to build skills in game design, level design, 2D concept art, 3D modeling, texturing, and real-time lighting. Your instructors will work with you every step of the way, focusing on the principles of gaming, balance and usability; creating the entire gaming experience; and developing games for use in industry-standard engines. You’ll explore the planning, scope, problem-solving abilities, and economics that go into creating a market-ready game.

As you prepare to enter the real world, we’ll help you build a digital portfolio and your own website. And our network of career services advisors will help you enter the profession ready to show what you can do.

**OUR ALUMNI SUCCESS STORIES CAN INSPIRE YOUR OWN.**

Our Game Art & Design alumni are creating some of the newest games that are changing the industry. Read about them by going to artinstitutes.edu and clicking Alumni Success at the top of the page. Artinstitutes.edu is also where you’ll find our inspiring Creativity for Life videos. Let our alumni and students tell you about their projects, their careers, and what their Art Institutes education has meant to them.
