Our Mission:
Education that builds careers and transforms the lives of those who learn, teach, and work here.

For more than 40 years, Education Management Corporation (EDMC) has been a leading provider of proprietary post-secondary education. EDMC has remained true to its goal of providing students from a variety of socio-economic and educational backgrounds the opportunity to improve their lives and achieve their career goals.

**Graduates Serving their Communities in Rewarding Careers**

EDMC’s schools/locations have more than 440,000 graduates who include nationally recognized professionals, corporate executives, and individuals in media arts, health sciences, design, culinary, mental health, business, fashion and legal.

**Diverse Programs Customized to Meet the Needs of Today’s Employers**

EDMC has as its foundation four distinct and respected education systems. They offer a broad range of differentiated programs concentrated in the creative and applied arts, behavioral sciences, education, mental health and business fields to equip students with the necessary skills to pursue rewarding careers.

**A Leader in Proprietary Post-Secondary Education**

EDMC is among the largest education systems in North America, based on student enrollment and revenue, with 101 locations in 31 U.S. states. Headquartered in Pittsburgh, Pennsylvania, Education Management employs more than 16,900 employees (full-time, part-time and adjunct faculty and staff), and serves approximately 65,000 students.

**A Student-Centric Approach**

EDMC remains committed to providing students with an education that builds careers and transforms lives. EDMC has plans to simplify operations, improve affordability and generate even better student outcomes. We work closely with all of our constituencies, including regulators, employers, employees and our partners in the communities that we serve to shape a better future for our students, faculty and staff.
